

FOUNDING REVIEWER AGREEMENT

PLATFORM	Orcred, operated by [PROPRIETOR FULL NAME] as sole proprietor, hereinafter referred to as "Orcred"
REVIEWER	[REVIEWER FULL NAME], residing at [REVIEWER ADDRESS], hereinafter referred to as "Reviewer"
EFFECTIVE DATE	[DATE]
AGREEMENT TYPE	Founding Reviewer — Independent Contractor + Profit-Share

IMPORTANT: This is a legally binding agreement. Read it in full before signing.

By signing below, both parties agree to be bound by all terms contained herein.

1. DEFINITIONS

In this Agreement, the following terms carry the meanings set out below.

Orcred means the AI/ML technical verification platform operated by [PROPRIETOR FULL NAME] as a sole proprietorship.

Reviewer means the individual named above who has been accepted as a Founding Reviewer by Orcred.

Founding Reviewer means one of the first five (5) reviewers accepted by Orcred, entitled to additional profit-share benefits set out in Section 7.

Session means a live 45 to 60 minute video call in which the Reviewer assesses a Candidate's project submission.

Candidate means any student or engineer who submits a project for verification through Orcred.

Submission means the project materials provided by a Candidate, including GitHub repository, Loom walkthrough, written build decisions, and AI tools declaration.

Orcred Score means the composite score out of 100 generated from the Reviewer's dimension scores following a completed Session.

Credential means the verified badge and credential page issued by Orcred to a Candidate who achieves an Orcred Score of 60 or above.

Net Monthly Profit means Orcred's total monthly revenue minus all reviewer session payments, platform infrastructure costs, payment gateway fees, and applicable taxes in that month.

Confidential Information means all non-public information relating to Orcred's operations, Candidates, scoring methodology, business plans, and financials.

Governing Law means the laws of India, with jurisdiction in the courts of Bengaluru, Karnataka.

2. NATURE OF ENGAGEMENT

2.1 Independent Contractor

The Reviewer is engaged as an independent contractor. Nothing in this Agreement creates or implies an employer-employee relationship, partnership, joint venture, or agency between Orcred and the Reviewer. As an independent contractor, the Reviewer is not entitled to employee benefits including provident fund, ESI, gratuity, or leave encashment; is solely responsible for their own income tax obligations; may perform similar services for other parties subject to the obligations in this Agreement; uses their own equipment and internet connection; and sets their own schedule within availability windows communicated to Orcred.

2.2 No Exclusivity

Orcred does not require exclusivity. The Reviewer may maintain full-time employment and other consulting engagements simultaneously with this Agreement, provided there is no conflict of interest with Orcred's business or breach of the confidentiality obligations herein.

3. SCOPE OF WORK

3.1 Core Responsibilities

The Reviewer agrees to perform the following services for Orcred:

- **Review Preparation.** Upon assignment of a Candidate Submission, the Reviewer must read the full Submission including GitHub repository, Loom walkthrough, all written build decisions, declared AI tool usage, and any supplementary materials provided by Orcred. Preparation must be completed before the scheduled Session.
- **Session Conduct.** Conduct a live 45 to 60 minute video Session with the assigned Candidate on camera. The Reviewer must ask questions generated specifically from the Candidate's Submission. There is no shared question bank. Questions must probe the Candidate's genuine understanding of their architectural decisions, technical tradeoffs, failure modes, and implementation choices.
- **Score Submission.** Within 24 hours of completing a Session, submit scores across the four assessment dimensions as specified in Section 4, along with written feedback for each dimension. Scores once submitted are final and cannot be edited without explicit written approval from Orcred.
- **Recording Consent Script.** At the start of every Session, before any questions begin, read the following verbatim: "Before we begin I want to confirm that this session is being recorded for quality control and dispute resolution purposes. The recording will be stored securely and deleted after 90 days unless there is an active dispute. Do you consent to being recorded today? Please confirm verbally yes or no." If the Candidate declines, the Session must not proceed.

- **Identity Verification.** At the start of every Session, request the Candidate to show a valid government-issued photo ID. Acceptable IDs are Aadhaar card, PAN card, passport, or driving licence. If the name on the ID does not match the name on the application exactly, pause the Session immediately and notify Orcred.
- **Calibration Sessions.** Participate in monthly calibration sessions organised by Orcred, in which all active reviewers independently score a common test submission and compare results. Calibration participation is mandatory for continued reviewer status.
- **Session Volume Cap.** Session volume cap — maximum 3 sessions per day and maximum 15 sessions per week. This is a hard limit. Sessions conducted beyond these limits will not be paid.
- **Pre-Session Conflict Declaration.** Before every assigned Session the Reviewer must confirm in writing to Orcred via email or WhatsApp that they have no personal or professional relationship with the Candidate. This includes college connections, LinkedIn connections, former colleagues, current colleagues, anyone they have mentored or been mentored by. If in doubt, declare it and let Orcred reassign.

3.2 What the Reviewer Must Not Do

- Share questions, session transcripts, or any discussion content from any Session with any third party.
- Provide any hints, coaching, or preparation materials to any Candidate before their Session.
- Discuss any Candidate's score, feedback, or outcome with any other Candidate or third party.
- Accept any direct payment or gift from any Candidate in connection with a Session.
- Conduct any private tutoring or mentoring with any Candidate reviewed through Orcred for 12 months following that review.
- Misrepresent their identity, credentials, or area of expertise to any Candidate.
- Conduct more than 3 sessions in any single calendar day or more than 15 sessions in any single calendar week regardless of demand.
- Proceed with a session after identifying a conflict of interest without first notifying Orcred and receiving explicit written approval to proceed.
- Score all four dimensions identically in any session. If all four scores are the same number, Orcred will automatically flag the session for mandatory spot-check before the credential is issued.

3.3 Resubmission Prohibition

The Reviewer will never be assigned to assess a Candidate they have previously reviewed through Orcred, regardless of how much time has passed. If Orcred accidentally assigns a Reviewer to a resubmission Candidate they have previously seen, the Reviewer must notify Orcred immediately before the Session begins. Proceeding with such a Session without notification is grounds for immediate termination under Section 12.2.

4. ASSESSMENT FRAMEWORK

4.1 The Four Dimensions

The Reviewer must assess every Candidate across four dimensions. Scores are integers from 0 to 100 for each dimension.

Technical Depth 35%

Did the Candidate build something that works and do they genuinely understand why it works? Can they explain architectural decisions, algorithm choices, and implementation tradeoffs without reference to notes or documentation?

Communication 25%

Can the Candidate walk a room through their decisions without notes? Clarity of thought under live questioning. Can they make complex systems understandable to a senior engineer who has not seen the project before?

Reproducibility 20%

Is the work clean enough that another engineer could pick it up tomorrow? Is the codebase documented? Are the decisions logged? A project only the builder can run is a liability, not an asset.

Originality 20%

Did the Candidate think, or did they follow? Genuine problem solving versus tutorial assembly. Did they make real architectural decisions or assemble existing pieces without understanding why?

4.2 Score Calculation

The Orcred Score is the sum of: Technical Depth score multiplied by 0.35, Communication score multiplied by 0.25, Reproducibility score multiplied by 0.20, and Originality score multiplied by 0.20.

4.3 Pass Threshold and Borderline Protocol

A Candidate passes if their Orcred Score is 60 or above. If a Candidate's score falls between 58 and 62 inclusive, Orcred may initiate a second independent review of the session recording by a Senior Reviewer. If the second review results in a difference of 5 points or more, Orcred will take an average of the two scores. The Reviewer's payment is not affected by a borderline review.

4.4 Written Feedback Requirements

For every completed Session, the Reviewer must submit written feedback for each of the four dimensions. Minimum length is 50 words per dimension. Feedback must be specific to the Candidate's actual work, actionable, honest, and professional in tone. Weak, generic, or copy-pasted feedback is grounds for a

formal quality warning under Section 10.

4.5 Score Integrity Flags

The following will trigger an automatic mandatory spot-check before any credential is issued. The Reviewer will be notified that their session is being reviewed. This is not a disciplinary action — it is a quality control process:

- Session duration under 45 minutes.
- All four dimension scores identical.
- Score submitted within 10 minutes of session ending.
- Reviewer pass rate above 85% in any calendar month.
- Reviewer pass rate below 15% in any calendar month.
- This is the second or subsequent session between this Reviewer and any Candidate they have previously interacted with on LinkedIn or professionally.

5. PAYMENT TERMS

5.1 Base Session Fee

Orcred will pay the Reviewer a base session fee for every completed Session. The fee is Rs 500 per session for 1 to 10 sessions in a calendar month, Rs 600 per session for 11 to 20 sessions, and Rs 700 per session for 21 or more sessions. The higher tier rate applies to all Sessions in that month once the threshold is crossed.

5.2 What Constitutes a Completed Session

A Session is completed when: the live video call was conducted for a minimum of 40 minutes; both Reviewer and Candidate were on camera throughout; the recording consent script was read and the Candidate consented verbally; identity verification was completed; scores for all four dimensions have been submitted; and written feedback of minimum 50 words per dimension has been submitted and accepted by Orcred. Orcred may reject a score submission within 48 hours if it is found to be incomplete, inconsistent, or in breach of the scoring guidelines.

5.3 Sessions That Will Not Be Paid

- Sessions where the Reviewer failed to read the recording consent script.
- Sessions where the Candidate declined recording consent and the Session proceeded anyway.
- Sessions shorter than 40 minutes unless the Candidate was the cause of early termination.
- Sessions where scores were submitted more than 72 hours after the Session date without prior written approval from Orcred.
- Sessions found to have involved coaching, hints, or pre-disclosure of questions to the Candidate.

- Sessions where the Reviewer had an undisclosed conflict of interest with the Candidate.
- Sessions where the Reviewer exceeded the daily or weekly volume cap.
- Sessions where a conflict of interest existed and was not declared before the Session began.
- Sessions where all four dimension scores were submitted identically and the spot-check determines this was not justified by the session content.

5.4 Invoicing and Payment Schedule

The Reviewer submits a simple invoice to reviews@orcred.com by the 1st of each calendar month covering all completed Sessions in the previous month. The invoice must state the Reviewer's full name, bank account details, number of Sessions completed, applicable tier rate, and total amount due. Orcred will process payment by the 5th of the same month via NEFT or UPI. Orcred will not process payment without a valid invoice. If the Reviewer fails to submit an invoice for a given month, the payment rolls over to the following month's cycle and does not lapse.

5.5 Taxes

All payments are exclusive of taxes. The Reviewer is solely responsible for declaring and paying all applicable income taxes. Orcred will deduct TDS as required under the Income Tax Act 1961 and will issue Form 16A accordingly.

5.6 Disputed Payments

If the Reviewer disputes a payment, they must raise the dispute in writing to reviews@orcred.com within 14 days of the expected payment date. Orcred will investigate and respond within 7 business days. Disputes unresolved within 21 days may be escalated under Section 13.

5.7 Reimbursements

Orcred does not reimburse any expenses incurred by the Reviewer. The session fee is all-inclusive.

6. SESSIONS—SCHEDULING, CANCELLATIONS AND REFUNDS

6.1 Scheduling

The Reviewer communicates their availability to Orcred at least 7 days in advance for the following week. The Reviewer will receive a minimum of 48 hours notice before each assigned Session.

6.2 Reviewer Cancellation

Cancellation with more than 48 hours notice — no penalty. Cancellation with less than 48 hours notice — the Session is not paid and the late cancellation is noted; two late cancellations within a month trigger a quality review under Section 10. No-show without any notice — the Session is not paid, Orcred will issue a formal warning, and the Candidate receives a full refund. Two no-shows in any rolling 3-month period are grounds for immediate termination of this Agreement.

6.3 Candidate Cancellation

Candidate cancellation with more than 48 hours notice — the Session is not paid and Orcred will reschedule. Candidate cancellation with less than 48 hours notice or no-show — the Reviewer receives 50% of the applicable session fee as a cancellation or no-show acknowledgement.

6.4 Technical Failures

If a Session is interrupted by a technical failure not attributable to either party, Orcred will determine at its discretion whether to reschedule or proceed with a partial session fee. The Reviewer must inform Orcred of any technical issues within 2 hours of the scheduled session time.

7. FOUNDING REVIEWER PROFIT-SHARE

7.1 Eligibility

This Section 7 applies exclusively to the five (5) Founding Reviewers who have signed this Agreement. Future reviewers onboarded after the founding cohort is closed do not participate in the profit-share.

7.2 Profit-Share Entitlement

Each Founding Reviewer is entitled to two percent (2%) of Orcred's Net Monthly Profit. The five Founding Reviewers together receive a combined ten percent (10%) of Net Monthly Profit.

7.3 Trigger Milestone

The profit-share does not commence until Orcred reaches one hundred (100) verified students — meaning Candidates who have completed a Session and received their Orcred Credential. Orcred will notify all Founding Reviewers in writing within 5 business days of the trigger milestone being reached.

7.4 Term

Once triggered, the profit-share runs for three (3) calendar years from the date of first trigger. It expires automatically unless Orcred and the Reviewer enter into a new written agreement.

7.5 Performance Conditions

The profit-share payment for any given month is subject to the Reviewer having completed a minimum of eight (8) Sessions in that calendar month and maintained a quality score of 4.2 out of 5 or above. If either condition is not met, the profit-share for that month is forfeited and does not carry forward.

7.6 Milestone Boost

When Orcred reaches five hundred (500) verified students, the collective profit-share increases from ten percent (10%) to twelve percent (12%) of Net Monthly Profit — being 2.4% per Founding Reviewer — from the month in which the 500th Credential is issued.

7.7 Net Monthly Profit Calculation

Net Monthly Profit is total revenue received by Orcred in a calendar month minus all reviewer session fees, payment gateway transaction fees, platform hosting and infrastructure costs, any refunds issued to Candidates, and applicable taxes. If Net Monthly Profit is zero or negative in any month, no profit-share is paid for that month and negative profit does not carry forward.

7.8 Profit-Share Payment

Orcred will share a monthly profit statement with all Founding Reviewers on or before the 10th of the following month. The profit-share payment is made on the 15th of the following month via NEFT or UPI. The Reviewer is responsible for all taxes on profit-share income.

7.9 Profit-Share is Not Equity

The profit-share under this Section 7 does not constitute equity, ownership, partnership, or any proprietary interest in Orcred or its business. The Reviewer has no claim over Orcred's assets, future sale proceeds, or any consideration arising from a merger, acquisition, or restructuring.

7.10 Audit Rights

The Reviewer may request a review of the monthly profit calculation once per quarter by written notice to Orcred. Orcred will make available sufficient financial records to verify the Net Monthly Profit calculation within 14 days of such a request. This right does not extend to general inspection of Orcred's books.

8. CONFIDENTIALITY

8.1 Confidential Information

The Reviewer agrees to keep strictly confidential: the identity, contact details, and personal information of any Candidate; the content of any Submission reviewed; all scores, feedback, and session recordings; Orcred's scoring methodology, rubric, and assessment guidelines; Orcred's business plans, financial information, and operational processes; the identity and credentials of other reviewers; and any information marked confidential by Orcred.

8.2 Obligations

The Reviewer must not disclose any Confidential Information to any third party without prior written consent from Orcred, must not use Confidential Information for any purpose other than performing obligations under this Agreement, must take all reasonable steps to prevent unauthorised access, and must notify Orcred immediately upon becoming aware of any actual or suspected breach.

8.3 Exceptions

Confidentiality obligations do not apply to information that was already publicly known at the time of disclosure through no fault of the Reviewer, was independently developed by the Reviewer without reference to Orcred's Confidential Information, or is required to be disclosed by law or court order — in which case the Reviewer must notify Orcred before disclosing and cooperate to obtain a protective order.

8.4 Duration

Confidentiality obligations survive the termination of this Agreement indefinitely. There is no time limit on confidentiality relating to Candidate information or Orcred's scoring methodology.

9. INTELLECTUAL PROPERTY

9.1 Orcred's IP

The following belong exclusively to Orcred and the Reviewer has no claim over them: the Orcred brand, name, and logo; the scoring methodology, rubric, and assessment framework; all session recordings; the platform, website, credential pages, and all related software; and aggregated and anonymised data derived from Sessions.

9.2 Candidate's IP

The project, code, and documentation submitted by a Candidate remain the intellectual property of the Candidate. The Reviewer has no rights over any Candidate's project or work.

9.3 Reviewer's Existing IP

Nothing in this Agreement transfers any pre-existing intellectual property of the Reviewer to Orcred. The Reviewer retains all rights to their own professional knowledge, expertise, and materials that are not specifically created for Orcred.

10. QUALITY STANDARDS AND PERFORMANCE

10.1 Quality Monitoring

Orcred will conduct quality spot-checks on a random sample of 20 to 30 percent of all completed Sessions each month, involving a review of the session recording against the scores and feedback submitted by the Reviewer.

10.2 Quality Score

Each Reviewer will be assigned a monthly quality score out of 5 based on spot-check results. The quality score assesses accuracy of scores relative to the session recording, specificity and usefulness of written feedback, adherence to the assessment framework and protocol, and professional conduct during Sessions.

A quality score of 4.2 to 5.0 indicates good standing and profit-share eligibility subject to other conditions. A score of 3.5 to 4.1 results in formal guidance being provided and profit-share being suspended for that month, with the Reviewer monitored for 3 months. A score below 3.5 results in a written warning, session assignments being paused for 30 days, and profit-share being suspended. If the score does not improve to 4.2 within 60 days, Orcred may terminate this Agreement.

11. NON-SOLICITATION

11.1 Candidates

During the term of this Agreement and for twelve (12) months following termination, the Reviewer must not solicit, recruit, or accept any Candidate reviewed through Orcred as a private client for tutoring, mentoring, consulting, or any paid engagement; offer to assess or certify any Candidate's project outside of the Orcred platform; or recommend or refer a Candidate to any competing credentialing or verification service.

11.2 Orcred Staff and Reviewers

During the term of this Agreement and for six (6) months following termination, the Reviewer must not solicit, recruit, or encourage any other Orcred reviewer or team member to leave Orcred or work for any competing service.

12. TERMINATION

12.1 Termination by Either Party

Either party may terminate this Agreement for any reason by providing thirty (30) days written notice to the other party. During the notice period, the Reviewer must continue to honour all assigned Sessions and Orcred must continue to pay for completed Sessions.

12.2 Immediate Termination by Orcred

Orcred may terminate this Agreement immediately and without notice if the Reviewer: breaches confidentiality obligations under Section 8; is found to have coached or provided hints to a Candidate; is found to have solicited or accepted payment from a Candidate outside the platform; commits two or more no-shows within any rolling 3-month period; provides materially false information about their credentials or experience; engages in conduct that brings Orcred into disrepute; or is subject to criminal proceedings or conviction for any offence involving dishonesty or fraud.

In addition, Orcred may terminate immediately if the Reviewer:

- Is found to have deliberately exceeded session volume limits to game the tier payment structure.
- Submits identical scores across all four dimensions in more than two sessions in a rolling 30-day period without justification upheld by spot-check.
- Fails to declare a known conflict of interest before a session.

12.3 Effect of Termination

All accrued and unpaid session fees for completed Sessions up to the termination date will be paid in the next regular payment cycle. Profit-share payments for any month already completed and verified at the time of termination will be paid in the next regular cycle. Confidentiality and non-solicitation obligations survive termination as stated in Sections 8.4 and 11. The Reviewer must immediately cease using any Orcred materials, branding, or methodologies after termination.

12.4 Founding Reviewer Profit-Share on Termination

Termination by the Reviewer voluntarily or by Orcred for cause under Section 12.2 results in all future profit-share entitlement being forfeited with immediate effect. Termination by Orcred without cause under Section 12.1 entitles the Reviewer to profit-share for Sessions completed up to the termination date in the month of termination, calculated on a pro-rata basis for that month only. No future entitlement survives.

13. DISPUTE RESOLUTION

13.1 Good Faith Resolution

If any dispute arises under this Agreement, both parties agree to first attempt resolution in good faith through direct discussion within 14 days of the dispute being raised in writing.

13.2 Mediation

If direct resolution fails within 14 days, the parties agree to attempt mediation through a mutually agreed mediator in Bengaluru before pursuing any other legal remedy. The cost of mediation is shared equally.

13.3 Arbitration

If mediation fails or either party refuses mediation, the dispute will be referred to and finally resolved by arbitration in accordance with the Arbitration and Conciliation Act 1996. The arbitration will be conducted by a single arbitrator agreed to by both parties, or failing agreement, appointed by the High Court of Karnataka. The seat of arbitration is Bengaluru, the language of arbitration is English, and the arbitrator's award is final and binding.

13.4 Governing Law and Jurisdiction

This Agreement is governed by the laws of India. Subject to the arbitration clause, both parties submit to the exclusive jurisdiction of the courts of Bengaluru, Karnataka.

14. GENERAL PROVISIONS

14.1 Entire Agreement

This Agreement constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior discussions, representations, and agreements.

14.2 Amendments

This Agreement may only be amended by a written document signed by both parties. No amendment communicated via email, WhatsApp, or any other messaging platform is valid unless confirmed in a signed written amendment.

14.3 Severability

If any provision of this Agreement is found invalid or unenforceable, it will be modified to the minimum extent necessary to make it valid. The remaining provisions continue in full force.

14.4 Waiver

Failure by either party to enforce any provision of this Agreement does not constitute a waiver of that provision or the right to enforce it in the future.

14.5 Notices

All formal notices under this Agreement must be in writing and sent by email — to Orcred at legal@orcred.com and to the Reviewer at [REVIEWER EMAIL ADDRESS]. A notice is deemed received on the next business day after sending, provided no delivery failure notification is received.

14.6 Force Majeure

Neither party is liable for failure to perform their obligations if such failure results from circumstances beyond their reasonable control, including natural disasters, government actions, or widespread internet outages, provided the affected party notifies the other within 48 hours and makes reasonable efforts to resume performance.
